

SOUTH PETHERWIN PARISH COUNCIL: PARISH COUNCIL MEETING (VIA VIDEO CONFERENCING SYSTEM)

Minutes of the meeting of the South Petherwin Parish Council on 14th October 2020 held, due to COVID19 restrictions, via the video conferencing system Jitsi.

Present: Cllr P Parsons (Chairman), Cllr R Jeffery (Vice-Chairman), Cllr C Powlesland, Cllr D Rogers, Cllr R Kneebone and Cllr M Screech.

20/116 Vice-Chairman's opening remarks and welcoming address.

20/117 Representations from Public. Seven people from SUEZ Recycling and Recovery UK Ltd attended the public session to provide details on their upcoming planning application to expand the site at Bangors, Pennygillam Industrial Estate. Suez work in partnership with Cornwall Council as part of a 30- year contract to manage household waste with the aim to reduce the amount of waste produced by households in Cornwall, increase what is reused and recycled, and to generate energy for the National Grid. In 2018/2019 the Council managed 268,000 tonnes of waste and recycling. Cornwall recycles and composts 38.1% of household waste. The proposed new waste service: Week 1 - dry recyclables and food waste - one vehicle collecting both recyclable and food waste. Week 2 - residual waste and food waste - one vehicle collecting residual (black bag) waste, one vehicle collecting food waste. It is estimated under the new waste service 22,000 tonnes of food waste will be removed from household waste and 8000 tonnes of recycling will be correctly disposed resulting in a decrease of 30,000 tonnes of residual (black bag) waste. To accommodate this new waste system alterations and additions will need to be made at the Bangors Recycling Site with extended operating hours for five years. The proposed new plans would include temporary waste food storage (food waste would be carefully managed to minimise the potential for odour) and a rise of truck movements from 20 trucks per day to around 70 trucks per day (it was highlighted to the Suez team that Newport is already very congested and that an increase in truck movements in this area would be problematic). Noise from the operations on site will be controlled to remain within background levels. Suez will be submitting the planning application in December 2020 and questions can be addressed to natalie.chard@suez.com.

20/118 Apologies. Cllr A Jasper, Cllr S Rogers and Cllr S Vernon.

20/119 Councillors' declaration of interest. Cllr M Screech declared an interest in PA20/07330.

20/120 Minutes of the Council meeting 14th September 2020. Insufficient Cllrs who were at the 14th September meeting to vote on a proposal, decision deferred to the next meeting.

20/121 Matters arising from the minutes not appearing elsewhere on the agenda. None.

20/122 Planning

a. Applications:

PA20/07990 Alterations and extensions to rear of dwelling. Beaconsville, South Petherwin. Mr and Mrs Steve Davey. It was proposed by Cllr R Kneebone, seconded by Cllr M Screech, that the Parish Council support this application, the proposed extension is of an appropriate size for the plot and at the rear of the property, not visible from the road, all were in favour. PA20/07309 Proposed construction of detached dwelling and garage. Land adj to Highfield, South Petherwin. Mr Steve Rogers. It was proposed by Cllr R Kneebone, seconded by Cllr M Screech, that the Parish Council support the application subject to confirmation that the 2 x caravans, which have previously been granted a certificate of lawfulness, are removed from the site prior to occupation of the dwelling, all were in favour. NB: The Parish Clerk would contact Cornwall Council Planning Department to confirm the number of dwellings that are lived in on the site and the permissions of use that are in place. Cllr M Screech declared an interest and left the meeting.

PA20/07330 Application for outline planning permission with some matters reserved for the construction of an agricultural workers dwelling (access only). West Honiton Farm, Honiton Lane, South Petherwin. Mr R Screech. It was proposed by Cllr D Rogers, seconded by Cllr P

Parsons, that the application be supported subject to it meeting with agricultural dwelling related planning policy, all were in favour. Cllr M Screech returned to the meeting.
